### **Health Department investigates foodborne outbreak at local restaurant**

#### **\*Updated Press Release\***

**Shelbyville, Ky.** – North Central District Health Department is continuing to investigate the foodborne outbreak that occurred on Easter Sunday in a local restaurant in Shelbyville, KY.

The restaurant will remain closed till further notice.

To date the health department has received 100 self reported illnesses from the patrons of the restaurant and more continue to call. It is important to note that all the self cases no longer exhibits any symptoms; and we have not received reports of any new illnesses presenting past Sunday. This would indicate the outbreak has been contained to just the patrons visiting the establishment on Sunday.

We also ask that any patron that ate at Claudia Sanders Restaurant on Easter Sunday **only** please contact the North Central District Health Department at (502) 633-1243. We are conducting interviews with all the patrons' whether they got sick or not to aid us in determining the cause of this outbreak.

We still have not received any lab reports from the items that were sent to the state lab, but a preliminary report should be complete possibly this evening.
