**North Central District Health Department is reporting three new lab-confirmed cases, two in Shelby County and one in Spencer County, increasing the district case count to 59. Three individuals monitored by North Central District have been released from isolation.**

Shelby County, KY – North Central District Health Department has three new cases that tested positive for the Novel Coronavirus (COVID-19). Two adult males from Shelby both in self-isolation at home; one adult female from Spencer County in self-isolation at home.

North Central District released three individuals from isolation two from Spencer County and one from Henry who monitored their symptoms and complied with a self-isolation agreement with the Health Department.

“NCDHD will start providing COVID-19 testing on Tuesday, 5/5. Testing is by appointment only. You can make an appointment by calling NCDHD’s Call Center at 502-390-2600. I would encourage those who need it to be tested. Testing is an important component to help us get back to the new normal.”, said Roanya Rice, Public Health Director of NCDHD

\*Numbers are reported by zip code which may cause some number movement between counties.
