**North Central District Health Department is reporting two new lab-confirmed cases, one in Henry County and one in Trimble County; increasing the district case count to 47.**

Shelby County, KY – North Central District Health Department has two new cases that tested positive for the Novel Coronavirus (COVID-19). An adult female from Trimble County and an adult male from Henry County who is in self-isolation at home.

“As we work toward restarting the economy and getting back to the new normal, it will be important for those returning to work to wear a mask. This will help to prevent the further spread of the virus.”, said Roanya Rice, Public Health Director of NCDHD

	
<b>North Central District Health Department</b>
