  - 1 pediatric Caucasian female in self-isolation at home.
  - 1 adult Hispanic male in self-isolation at home.
  - 1 elderly Caucasian male at Masonic Home of Shelbyville.

“With increased activity over the Memorial Day and 4th of July Holiday, COVID 19 cases in Kentucky are rising. As a result, it is critical that face coverings that cover the nose and mouth be worn when in public. This is one few and most powerful tools we have to slow the spread and combat COVID 19 until there is a vaccine.”, said Roanya Rice, Public Health Director of NCDHD
