North Central District Health Department is reporting ten new lab-confirmed cases, eight in Shelby County, one in Spencer County and one in Henry County; increasing the district case count to 292.

Shelby County, KY –North Central District Health Department has ten new cases that tested positive for the Novel Coronavirus (COVID-19). Four adult Hispanic males, two adult Hispanic females, one adult Caucasian female, and one adult African American male from Shelby County, one adult Caucasian female from Spencer County, one adult Caucasian male from Henry County all in self-isolation at home.

"The Health Department will begin moving our personnel from COVID-19 testing to contact tracing and everyday operations. Contact tracing is primarily the responsibility of the health department since no other entity does this work. A list of alternative testing sites will be posted on our website later this week. Beginning the week of June 14, the clinics will be open to in-person appointments for all services, except for WIC, which will remain remote and telephonic at this time. This includes immunizations for all ages, well-child exams, family planning exams, and STD exams and counseling.", said Roanya Rice, Public Health Director of NCDHD
