North Central District Health Department is reporting twenty-six new lab-confirmed cases in Shelby County, increasing the district case count to 355. Twenty-eight individuals monitored by North Central District have been released from isolation.

Shelby County, KY – North Central District Health Department has twenty-six new cases that tested positive for the Novel Coronavirus (COVID-19).

- One adult African America male
- Three adult Caucasian males
- One pediatric Hispanic male
- Four adult Hispanic males
- Two pediatric Hispanic females
- Two adult Hispanic females
- Two adult Caucasian females
- Eleven adult females who reside at the Kentucky Correctional Institute for Women

North Central District is working with the Department of Public Health and the Correctional facility to mitigate the spread of the virus within the correctional facility.

North Central District released twenty-eight individuals from isolation; twenty-three from Shelby County, three from Spencer County, and two from Henry County who monitored their symptoms and complied with a self-isolation agreement with the Health Department.

Effective 6/15/2020 North Central District Health Department will only issue a press release on Monday, Wednesday, and Friday, unless information needs to be communicated to the public. This release includes numbers from this past weekend.

"The Health Department will begin redirecting staff's efforts from COVID-19 testing to contact tracing and slowly resuming normal operations. Contact tracing is primarily the responsibility of the health department since no other entity does this work. A list of alternative testing sites has been posted to NCDHD's website.", said Roanya Rice, Public Health Director of NCDHD
