North Central District Health Department regrettably announces the eleventh death in Shelby County due to complications from the Novel Coronavirus (COVID-19). Six new lab-confirmed cases in Shelby and Spencer Counties increasing the district case count to 525. Eight individuals from Shelby and Henry Counties monitored by North Central District have been released from isolation.

Shelby County, KY – Shelby has had its eleventh COVID-19 related death in an elderly male with underlying medical conditions; our hearts and prayers go out to her family and friends.

North Central District Health Department has six new cases that tested positive for the Novel Coronavirus (COVID-19).

- **Spencer County**
 - 1 adult Caucasian male under medical care.
- **Shelby County**
 - 1 pediatric Caucasian female in self-isolation at home.
 - 1 elderly Caucasian female in self-isolation at home.
 - 1 elderly Caucasian female under medical care.
 - 2 adult Hispanic females in self-isolation at home.

North Central District released eight individuals from isolation, seven individuals from Shelby County and one from Henry County, who monitored their symptoms and complied with a self-isolation agreement with the Health Department.

“North Central District is working with the Department of Public Health and two congregate settings to mitigate the spread of the virus within those facilities”, said Roanya Rice, Public Health Director of NCDHD
