North Central District Health Department is reporting three new lab-confirmed cases two in Shelby County and one in Henry County, increasing the district case count to 87.

Shelby County, KY – North Central District Health Department has three new cases that tested positive for the Novel Coronavirus (COVID-19). An adult female in self-isolation at home and adult male under medical care from Shelby County and an adult male from Henry County in self-isolation at home.

“As we continue to move through the phases of reopening, the importance of wearing a mask when not at home is even more critical for helping to prevent the spread of the virus. Everyone should be wearing a mask, as per the Governor’s order, and when they are not able to social distance.”, said Roanya Rice, Public Health Director of NCDHD
