**North Central District Health Department is reporting one new lab-confirmed case in Spencer County, increasing the district case count to 184. Nine individuals monitored by North Central District has been released from isolation.**

Shelby County, KY –North Central District Health Department has one new case that tested positive for the Novel Coronavirus (COVID-19). An adult Hispanic female from Spencer County in self-isolation at home.

North Central District released five individuals from Shelby County, three from Henry County, and one person from Spencer County from isolation who monitored their symptoms and complied with a self-isolation agreement with the Health Department.

"I am encouraging everyone to get tested for COVID-19. NCDHD is now offering walk-up testing to accommodate those who would like to be tested but do not have transportation for the drive-thru testing. Appointments can be made for the drive-thru and walk-up testing by calling (502) 390-2600. We do not want transportation to be a barrier to getting tested. Wearing a mask can dramatically reduce the risk of spreading the virus and possibly decrease the risk of you contracting the virus. The mask must be worn correctly to work; while wearing a mask it should fully cover your nose and mouth at all times", said Roanya Rice, Public Health Director of NCDHD
