**North Central District Health Department is reporting six new lab-confirmed cases in Shelby County, increasing the district case count to 218.**

**Shelby County, KY** –North Central District Health Department has six new cases that tested positive for the Novel Coronavirus (COVID-19). Three adult males, 1 Adult female, and 2 pediatric males from Shelby County in self-isolation at home; all six cases are from the Hispanic population.

"I am encouraging everyone to get tested for COVID-19. NCDHD is now offering walk-up testing to accommodate those who would like to be tested but do not have transportation for the drive-thru testing. Appointments can be made for the drive-thru and walk-up testing by calling (502) 390-2600. We do not want transportation to be a barrier to getting tested. Wearing a mask can dramatically reduce the risk of spreading the virus and possibly decrease the risk of you contracting the virus. The mask must be worn correctly to work; while wearing a mask it should fully cover your nose and mouth at all times", said Roanya Rice, Public Health Director of NCDHD

North Central District  
 Health Department

COVID-19 Summary as of 5/31/2020

**218**
