**North Central District Health Department is reporting three new lab-confirmed cases in Shelby County, increasing the district case count to 75. Three individuals monitored by North Central District has been released from isolation.**

Shelby County, KY – North Central District Health Department has three new cases that tested positive for the Novel Coronavirus (COVID-19). Two adult males in self-isolation at home and one adult female under medical care from Shelby County.

North Central District released three individuals from isolation, one from Henry County, one Shelby County, and one Spencer County who monitored their symptoms and complied with a self-isolation agreement with the Health Department.

“Now that NCDHD has started to provide COVID-19 testing in Shelby, Henry, Spencer, and Trimble Counties, it is likely that we will see the number of positive cases reported increase. The more you test the more likely you are to find positive cases. It is through testing that we can identify those who need to self-isolate and those actions help to reduce the spread of the virus, protecting the communities health at large. ”, said Roanya Rice, Public Health Director of NCDHD

		
<b>North Central District Health Department</b>
