“With the number of active cases dramatically rising, two of our four counties are currently in the Red Zone, Shelby and Henry Counties. All our community members need to make a concerted effort to follow COVID 19 guidance, especially wearing a mask, to help combat a further rise in cases. Please review the current Red Zone recommendations at our website <https://www.ncdhd.com/covid-19>.”, said Roanya Rice, Public Health Director of NCDHD.
