**North Central District Health Department is reporting twenty-one new lab-confirmed cases in Shelby, Trimble, and Spencer Counties, increasing the district case count to 1516. Forty individuals monitored by North Central District have been released from isolation.**

**Shelby County, KY** – North Central District Health Department has twenty-one cases that tested positive for the Novel Coronavirus (COVID-19).

- **Shelby County = 19**
  - 12 adult Caucasian females in self-isolation at home.
  - 4 adult Caucasian males in self-isolation at home.
  - 1 adult Hispanic female in self-isolation at home.
  - 1 adult Hispanic male in self-isolation at home.
  - 1 pediatric Caucasian female in self-isolation at home.
- **Spencer County= 1**
  - 1 adult Caucasian female in self-isolation at home.
- **Trimble County= 1**
  - 1 adult Caucasian male in self-isolation at home.

North Central District released forty individuals from isolation; thirty-three from Shelby County, two from Henry County, four from Spencer County, and one from Trimble County monitored their symptoms and complied with a self-isolation agreement with the Health Department.

“According to data, produced by the North Central District Health Department, the new confirmed positive COVID-19 cases have been trending down during the end of August and early September. This decrease in the number of new positive COVID 19 cases is likely related to the communities compliance and increased efforts to implement the following strategies; social distancing and properly wearing a mask when coming into contact with people .”, said Roanya Rice, Public Health Director of NCDHD.
