**North Central District Health Department is reporting twenty-two new lab-confirmed cases in Shelby, Henry, Trimble, and Spencer Counties, increasing the district case count to 8,553. Fourteen individuals monitored by North Central District have been released from isolation.**

**Shelby County, KY** – North Central District Health Department has twenty-two cases that tested positive for the Novel Coronavirus (COVID-19).

- **Shelby County = 13**
  - 5 adult Caucasian females in self-isolation at home.
  - 5 adult Caucasian males in self-isolation at home.
  - 1 pediatric Caucasian male in self-isolation at home.
  - 1 adult African American female in self-isolation at home.
  - 1 adult Hispanic male in self-isolation at home.
- **Spencer County= 5**
  - 2 adult Caucasian females in self-isolation at home.
  - 1 adult Caucasian male in self-isolation at home.
  - 2 pediatric Caucasian females in self-isolation at home.
- **Henry County= 3**
  - 2 adult Caucasian females in self-isolation at home.
  - 1 elderly Caucasian female in self-isolation at home.
- **Trimble County= 1**
  - 1 elderly Caucasian female in self-isolation at home.

North Central District released fourteen individuals from isolation; five from Shelby County, four from Spencer County, and five from Henry County monitored their symptoms and complied with a self-isolation agreement with the Health Department.

**\*\*North Central District Health Department regretfully is announcing multiple deaths from the state's COVID 19 death audit report; this information dates back to Fall/Winter of 2020. The Kentucky state COVID 19 death audit report has identified ten people who lived in the areas North Central District Health Department serve: seven from Shelby County, two from Henry County, and one from Spencer County due to complications from the Novel Coronavirus (COVID-19).**
