“With the new CDC guidance regarding wearing a mask, today is an exciting day. It is a giant step back into the life we once knew.

There is also a renewed importance to getting vaccinated. NCDHD will be working with the public schools in Henry, Shelby, Spencer, and Trimble County, next week, to get students 12 and over, vaccinated before the last day of school.

We are also hosting a community vaccination clinic in Spencer County on 5/20/21 from 3-6 pm at the Spencer EMS location. Moderna and J & J vaccine will be available with no appointment necessary.

COVID vaccines are also available at each of our county health department sites. I would encourage anyone who has not been vaccinated to get vaccinated.”

Roanya Rice, Public Health Director of NCDHD.

*Numbers are reported by zip code which may cause some number movement between counties.

*Some data in this report has been reconciled with the State of Kentucky’s death report review.
