North Central District released seventy-five individuals from isolation; forty-four from Shelby County, twelve from Spencer County, seven from Trimble County, and twelve from Henry County monitored their symptoms and complied with a self-isolation agreement with the Health Department.

“The health department is projecting exponential growth of COVID-19 cases during this holiday season. By following the CDC guidelines and Governor Beshear’s recommendations, by wearing a face covering, washing hands frequently, and maintaining social distance, we as a community can help reduce the spread and decrease potential harm to our friends and families.”, said Roanya Rice, Public Health Director of NCDHD.
