*“North Central District is close to record high numbers of confirmed coronavirus cases for our district; it is imperative to take Covid precautions seriously and wear face-coverings, wash hands, and social distance to help combat this virus. These numbers are concerning with the upcoming holiday season; working to lower these COVID 19 numbers will help manage the virus and keep you, your family and your fellow citizens safe.”, said Roanya Rice, Public Health Director of NCDHD.*

## North Central District Health Department

**COVID-19 Summary as of 11/9/2020**

# 2582
