North Central District Health Department has received the first lab confirmed case, one in Trimble County increasing the district case count to 26.

Trimble County, KY – One patient from Trimble County has tested positive for the Novel Coronavirus (COVID-19); an adult male currently in self-isolation at home.

“When going out to get essential supplies and food, please remember to limit the trip to one person per family, so we can reduce the number of people in stores and reduce potential exposures to the virus. Please remember how important social distancing is and practice it.”, said Roanya Rice, Public Health Director of NCDHD

District Cases by County:

- Henry – 2
