North Central District Health Department has two new lab confirmed cases, in Shelby County increasing the district case count to 28.

Shelby County, KY – Both patients from Shelby County has tested positive for the Novel Coronavirus (COVID-19); both cases are an adult females currently under medical care.

“When going out to get essential supplies and food, please remember to limit the trip to one person per family, so we can reduce the number of people in stores and reduce potential exposures to the virus. Please remember how important social distancing is and practice it.”, said Roanya Rice, Public Health Director of NCDHD

District Cases by County:

- Henry – 2
- Shelby – 19
- Spencer – 6
- Trimble – 1

*Numbers are reported by zip code which may cause some number movement between counties.
